During assembly, tighten screws to 80% initially. Once all screws are in place, tighten them fully to 100%.
The cushions are vacuum-packed and may take up to 72 hours to fully regain their original shape. Please be patient.
After assembly, place the product on a flat and stable surface to ensure safety and stability.

WARNING

Befolgen Sie die Montageschritte in der Anleitung sorgfältig, um eine ordnungsgemäße Montage zu gewährleisten.
Bewahren Sie alle Kleinteile und Verpackungsmaterialien außerhalb der Reichweite von Babys und Kindern auf, um Erstickungsgefahr zu vermeiden.
Führen Sie die Montage auf einer gepolsterten Oberfläche wie einem Teppich oder weichem Gras durch, um Beschädigungen des Produkts zu vermeiden.
Ziehen Sie die Schrauben während der Montage zunächst zu 80% fest. Wenn alle Schrauben platziert sind, ziehen Sie sie vollständig auf 100% an.
Die Polster sind vakuumverpackt und können bis zu 72 Stunden benötigen, um ihre ursprüngliche Form vollständig wiederzuerlangen. Bitte haben Sie Geduld.
Stellen Sie das Produkt nach der Montage auf eine flache und stabile Oberfläche, um Sicherheit und Stabilität zu gewährleisten.

AVERTISSEMENT

Suivez attentivement les étapes d'installation du manuel pour assurer un montage correct.
Conservez toutes les petites pièces et le matériel d'emballage hors de portée des bébés et des enfants pour éviter tout risque d'étouffement.
Effectuez le montage sur une surface rembourrée, comme un tapis ou de l'herbe tendre, pour prévenir d'éventuels dommages au produit.
Lors du montage, serrez les vis à 80% dans un premier temps. Une fois toutes les vis en place, serrez-les complètement à 100%.
Les coussins sont emballés sous vide et peuvent nécessiter jusqu'à 72 heures pour retrouver leur forme originale.
Merci de faire preuve de patience.
Après le montage, placez le produit sur une surface plane et stable pour garantir sa sécurité et sa stabilité.

ADVERTENCIA

Siga cuidadosamente los pasos de instalación del manual para garantizar un montaje adecuado.
Mantenga todas las piezas pequeñas y materiales de embalaje lejos de bebés y niños para evitar riesgo de asfixia.
Realice el montaje sobre una superficie acolchada, como una alfombra o césped suave, para evitar daños al producto.
Durante el montaje, apriete los tornillos inicialmente al 80%. Una vez colocados todos los tornillos, apriételes completamente al 100%.
Los cojines vienen embalados al vacío y pueden tardar hasta 72 horas en recuperar completamente su forma original. Por favor, sea paciente.

WARNING

ATTENZIONE

Segui attentamente i passaggi di installazione riportati nel manuale per garantire un montaggio corretto. Tieni tutte le piccole parti e i materiali di imballaggio lontano da neonati e bambini per evitare rischi di soffocamento. Esegui il montaggio su una superficie imbottita, come un tappeto o erba soffice, per prevenire danni al prodotto. Durante il montaggio, avvita inizialmente le viti all'80%. Una volta posizionate tutte le viti, stringile completamente al 100%. I cuscini sono confezionati sottovuoto e potrebbero impiegare fino a 72 ore per riacquistare completamente la loro forma originale. Si prega di avere pazienza. Dopo il montaggio, posiziona il prodotto su una superficie piana e stabile per garantire sicurezza e stabilità.

WAARSCHUWING

Volg de installatiestappen in de handleiding zorgvuldig om een correcte montage te garanderen. Houd alle kleine onderdelen en verpakkingsmaterialen buiten bereik van baby's en kinderen om verstikkingsgevaar te voorkomen. Voer de montage uit op een zachte ondergrond, zoals een vloerkleed of zacht gras, om beschadiging van het product te voorkomen. Tijdens de montage draait u de schroeven eerst voor 80% vast. Zodra alle schroeven zijn geplaatst, draait u ze volledig aan tot 100%. De kussens zijn vacuüm verpakt en kunnen tot 72 uur nodig hebben om volledig terug te keren naar hun oorspronkelijke vorm. Wees geduldig. Plaats het product na montage op een vlakke en stabiele ondergrond om veiligheid en stabiliteit te waarborgen.

OSTRZEŻENIE

Postępuj zgodnie z instrukcją montażu w instrukcji obsługi, aby zapewnić prawidłowy montaż. Trzymaj wszystkie małe części i materiały opakowaniowe z dala od niemowląt i dzieci, aby zapobiec ryzyku zadławienia. Montaż przeprowadzaj na miękkiej powierzchni, takiej jak dywan lub miękka trawa, aby uniknąć uszkodzenia produktu. Podczas montażu najpierw dokręć śruby w 80%.
